CU Boulder Office of the Registrar Student Worker

I'm currently working at CU as a student app developer for the Office of the Registrar. This position has given me a lot of experience with C# and Selenium automation, along with Visual Studio.

Robotics

Through high school, I was a member of my school's robotics team. This not only gave me hard skills like Java, CAD, machining, and electronics knowledge, but also boosted my problem-solving and teamwork skills. I was team captain and lead programmer, which gave me lots of leadership experience.
